

# GOAPPLY PASSWORD RESET

The Community Foundation for Oceana County is now using an updated version of our grant portal, GoApply. If you accessed this portal in the Fall 2021 Community Grant Round, follow this guide to migrate your account from Version 1 to Version 2. You will only need to do this once.

## Migrate Your Account

Use this link to login to your account, <https://tinyurl.com/OceanaApply>

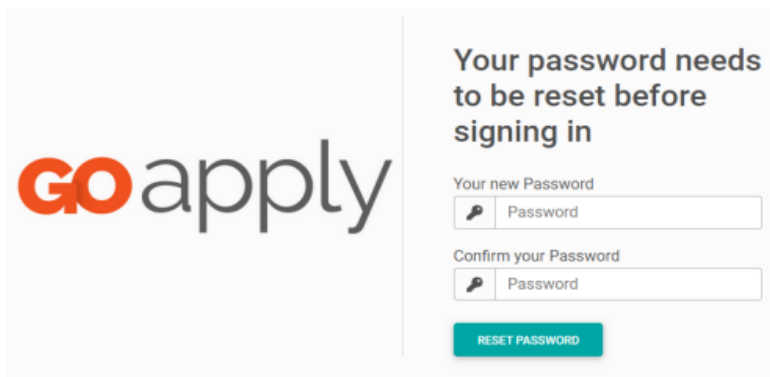

You will see the following login page:

The screenshot shows the login page for GOapply V1. On the left is the GOapply logo. On the right, the text reads "GOapply V1 Account Migration Sign In". Below this, there are two input fields: "Your GOapply V1 Email" with an email icon and a blurred email address, and "Your Password" with a key icon and a masked password. A green "SIGN IN" button is located at the bottom right of the form.

Use the email and password that you used for GOapply Version 1 and click sign in.

Your new password needs to be 10 characters or more. You will be prompted to reset your password.

The screenshot shows the password reset page for GOapply. On the left is the GOapply logo. On the right, the text reads "Your password needs to be reset before signing in". Below this, there are two input fields: "Your new Password" and "Confirm your Password", both with key icons and the word "Password" next to them. A green "RESET PASSWORD" button is located at the bottom right of the form.

Once your password update is successful, close out of the tab and use the new link, [goapply2.akoyago.com/OCEANA](https://goapply2.akoyago.com/OCEANA), to access the grant portal. Log-in using your email address and the new password you just set.

If you need help with this process, please contact our Danielle at [danielle@oceanafoundation.org](mailto:danielle@oceanafoundation.org) or 231-869-3377
